

NFBAA
 North Florida Business Aviation Association
 Supporting Regional Growth

2007 Membership Application

The North Florida Business Aviation Association, Inc. (“NFBA”) is a not-for-profit, aviation-industry, regional economic development and service organization providing educational assistance to aeronautical students. The NFBA is firmly committed to the “safety of flight”. This entity was formed to provide a network and forum for its Members, primarily North Florida business-aviation owner/operators and their service and infrastructure providers; as well as, to enable the entire community within the region to properly recognize the significance and importance of this rapidly changing industry. Such changes include vast infra-structure and technological advances, which can lead to significant growth opportunities.

Our professional organization is firmly committed and structured to properly articulate safety and security regarding flight and operations. NFBA is positioning itself to be the advocate and resource which enhances the ongoing economic growth, related education, and the viability for business aviation operations throughout the entire North Florida region.
